History of the SCARBRO Caro Bowl

The Caro Bowl is a rose bowl that was donated to the Auckland Tennis Association by the family of the late Maurice S. Caro who was killed in action at the First Battle of Somme in 1916. Maurice Caro was an all-round sportsman and an avid tennis player.

The Caro Bowl was first held in 1919 and it is the top interclub trophy played for in the Tennis Auckland competition. It is the most prestigious grade of interclub in New Zealand and has historically attracted the best players in New Zealand.

Caro Bowl teams originally consisted of four male and four female players but the competition was split into separate men's and women's sections in 1991. There are a maximum of eight teams in each section who compete each year for the Caro Bowl trophies. With over 50 clubs affiliated to Tennis Auckland the competition to field a team in Caro Bowl is fierce and winning clubs covet the prized trophy.

Until the mid-1990's Caro Bowl matches were played on a Saturday afternoon and many will remember the days when Brian Fairlie, Chris Lewis and Russell Simpson turned out for their clubs to do battle on the grass courts at Stanley Street. It is fairly safe to say that every top Auckland player and many other fine players from around New Zealand have played in the Caro Bowl competition at some point in their tennis careers.

Friday night play at clubs was trialled in the mid 1990's enabling regular interclub players to support their club's Caro Bowl team. This initiative has remained in place ever since and quite often you will find large crowds enjoying the Caro Bowl action at their home club during the summer season. In 2015 Sunday afternoon contests were added to attract a different audience.

Scarbro Construction came aboard as the main sponsor of the Caro Bowl competition a number of years ago and this gave Tennis Auckland the opportunity to promote the competition through the media and to pay for the rising costs of administration and court hire. Tennis Auckland is tremendously grateful for the support of Scarbro who have had an involvement with tennis in Auckland dating back to the early 1900's.

A review of the SCARBRO Caro Bowl competition was conducted at the end of the 2015 season. As a result, a new round robin format was introduced for the 2016 season together with the introduction of Saturday night and a later start for Sunday afternoon contests.

We would like to acknowledge the ongoing support of our tennis clubs. Some of our most established clubs like Parnell and Remuera have supported this competition since inception almost a century ago and they are still going strong today.

The SCARBRO Caro Bowl is our flagship interclub competition and history will tell us that it has always been a highlight of the local tennis scene.

Guidelines

NOTICE TO ALL:

SCARBRO CARO BOWL CLUBS MANAGERS | TEAM CAPTAINS | PLAYERS

Please ensure you are all aware of the following:

1 INCLEMENT WEATHER RULES – ALL CONTESTS

The order of play for using TWO courts: Doubles is played first and the home team picks for singles alternating with the opposition

- 1.1 Tennis Auckland has again gone to considerable trouble to arrange back up indoor options for all matches including making arrangements with Blockhouse Bay Tennis Club to use their indoor courts. When these courts are being used as wet weather backup the start time on Friday and Saturday will be 7pm and 3pm on Sunday (as per note on your draw).
- 1.2 There is no reason why matches should not be completed (weather permitting). The players are present and have made plans to play; the courts are available so the Interclub Committee directs that all scheduled matches will be played. The inconvenience caused to all if a match is not played is considerable, undesirable and unnecessary.
- 1.3 The Interclub Committee is loath to make a blanket transfer to indoors at 4pm on a Friday or Saturday, or by 1pm on a Sunday given the extremely variable nature of the Auckland weather.

Also, if at all possible we would like all contests to be played at club venues. Therefore, Tennis Auckland will not exercise the option of telling teams to go indoors. Accordingly, the following will apply;

- 1.3.1 Teams will go to the scheduled club venue (unless captains contact each other prior and agree otherwise).
- 1.3.2 Will attempt to play at the club venue.
- 1.3.3 If there has been no play within one hour of the scheduled start time the contest will go indoors.
- 1.3.4 the fixture has started and is interrupted by inclement weather teams may wait a reasonable period of time for conditions to become playable. This period should NOT exceed 30 minutes. Should the break in play exceed 30 minutes the contest will go indoors.

2017

Caro Bowl

1.3.5 At any stage by mutual agreement a contest may be moved indoors.

2 ORDER OF PLAY - FOUR COURTS TO BE USED

Clubs hosting either Friday night, Saturday night and/or Sunday afternoon games will start with doubles followed by the four singles.

RULE (13.2.1) For all SCARBRO Caro Bowl contests captains will name the playing order for the first matches to be played be it singles or doubles fifteen minutes before a contest commences. At the conclusion of these matches the teams shall have a maximum of 10 minutes to name their team for the remainder of the contest.

3 ORDER OF PLAY - TWO COURTS TO BE USED

Doubles is played first and the home team picks for singles alternating with the opposition. This is for all SCARBRO Caro Bowl matches if played on 2 courts.

4 BEHAVIOUR

The players playing SCARBRO Caro Bowl are to set an example for all tennis players and therefore standards of dress, discipline, language and behaviour must be maintained at the highest level. **Team Managers** must ensure their players comply with these standards.

Complaints Procedures

The following procedures apply to complaints of breaches of the Code of Conduct, these Guidelines and any acts which bring the game of tennis into disrepute.

1. The President or Team Manager of the Club complaining will deliver or email a brief summary of the facts of the complaint (Complaint Summary) set out in numbered paragraphs. This must identify as clearly as possible the person(s) who are being complained about, to (Tennis Auckland Complaints Commissioner) no later than midday on the Monday following the contest concerned.
2. The Complaint Summary will also be emailed to the Manager of the opposing Team.
3. The Manager of that Team must:
 - (a) Immediately deliver or email a copy of the Complaint Summary to his/her Club President and the individual(s) who are the subject of the complaint.
 - (b) Email immediately the persons named in paragraph 1 above and copy that email to the email address from which the Complaint Summary was sent.
4. The actions set out in paragraph 3 above must be completed by (8.00pm) that Monday
5. The persons named in paragraph 3(a) shall by 5pm Tuesday provide a response (Complaint Response) to the Complaint Summary setting out:
 - (a) Whether the Summary is accepted;
 - (b) If not accepted which items by reference to the numbered paragraphs are disputed and why;
 - (c) Any other relevant materials.

6. The Complaint Response will be sent to the persons referred to in paragraph 1 above.
7. The Complaints Commissioner shall make such enquiries and receive such evidence as he sees fit, consistent with fairly hearing both sides and either:
 - (a) Make a decision binding on both Clubs and any relevant Players/Club members involved; or
 - (b) Call for a hearing by the Centre Judiciary Committee to which the relevant player(s), team representatives or Club members who are the subject of the Complaint Summary shall be entitled to attend, and a Representative of the complaining Club may be present.
8. The decision of the Complaints Commissioner or the Centre Judiciary Committee (as the case may be) shall be final and binding and be delivered no later than 10.00pm on the Thursday following the contest concerned. It shall be emailed to all parties no later than midday Friday.
9. Subject to paragraphs 7 and 8 above, the hearing and decision-making process to be adopted by the Complaints Commissioner or the Centre Judiciary Committee shall be at their entire discretion.
10. The timetables set out in this process reflect the important need to have a prompt and fair decision. In extraordinary cases the Complaints Commissioner or the Centre Judiciary Committee (as appropriate) may extend time but:
 - (a) The extension should be consistent with a prompt (within days of the contest concerned) final decision;
 - (b) Must be first notified to all parties other than the person seeking the extension and their views taken;
 - (c) Must have compelling reasons which are to be put to all parties by the person seeking the extension;
 - (d) If an extension is granted then it shall, according to its terms, override the timetables set out in the previous clauses;
 - (e) If any party required to comply with any step in these timetables fails to do so the Commissioner or the Centre Judiciary Committee may proceed notwithstanding that failure;
 - (f) If any party fails to attend any meeting or hearing at the appointed time that meeting or hearing may continue in his/her absence and a decision made.

5 CROWD CONTROL

If a player or players have a problem with spectators the player/s must report to their Team Manager.

6 UMPIRES

Players shall umpire their own matches. During the finals, officials will be present to either adjudicate or fully call matches depending on the level of staffing available.

7 REFEREE FOR ROUND ROBIN PLAY

Any club may request a referee for any fixture. This is done by contacting Desrae Garratt on (09) 278 6591 or mobile 027 212 9255. A fee of \$140.00 is payable to the Auckland Umpires Association by the club requesting the referee. For semi-finals and finals, Tennis Auckland is responsible for match officials.

Please make sure any requests are made 7 days before your fixture to give Desrae time to find a suitable person if possible.

8 COACHING

As coaching is allowed while a match is in progress (refer Rule 5.2.2), a chair should be courtside for the coach. Each team is allowed no more than one coach or team member at the side of each court.

9 PLAYERS PLAYING UP AS PER RULE 10.3.1

The approved playing order must be observed.

When a player is required to play up from a lower team (refer Rule 7.6) on any given day this player must play below the players on that teams approved playing list regardless of their Configure Ranking.(with exception of 8.1 and 8.2) If two players are required on any given day then these two players must play below the teams approved playing list but as per Rule 10.4.1 if both these players are in the same grading band either one can play above the other player or the lower graded player must play below the player in a higher grading band. If a player has played up three times as per Rule 7.10 they become a member of this team and the selectors will approve this player order on the team list.

ALSO Rule 10.3.2 must be adhered to. Doubles - the highest graded player from the approved playing order must play in the number one doubles.

10 SPECIALIST DOUBLES PLAYERS

A reminder about the rule for SCARBRO Caro Bowl concerning the use of more than one doubles specialist. Please ensure everyone is familiar with Rule 10.1. In SCARBRO Caro Bowl there is no limit to the number of specialist doubles players that can be used in any one contest. Where a specialist doubles player has been named, this specialist doubles player/s must be graded as per their singles grading and comply with Rule 10.3.

11 ALTERATIONS TO SCARBRO CARO BOWL TEAM LISTS.

Application for alterations to SCARBRO Caro Bowl team lists must be received by the Committee by the Wednesday before the contest notwithstanding anything herein contained amendments or additions to the team list or playing order for SCARBRO Caro Bowl shall not be permitted after the 30th October 2017.

12 REPORTING TIME

- 11.1 Team Captains and/or Team Managers must report with their team sheets completed for the first matches 15 minutes before the commencement of play.
- 11.2 It is recommended that all players should be on site 30 minutes before play for a warm-up, but all players must be available to play at 6:00pm on either Friday or Saturday nights and 2pm on Sundays.
